PRODUCT CHARACTERISTICS

PULMONT 24 P is a medium-stretch product with a pleasant and warm feel. With excellent resistance to both dry and wet rubbing. It also has excellent light fastness.

Can be used in combination with the PULMONT series to achieve the desired gloss level.

APPLICATIONS

PULMONT 24 P can be used as a fixative in the final polishing of leather, designed for furniture or leather goods.

Can be used both spray and Gemata.

In order to increase resistance to physical tests, we recommend applying it with our FIX ISO at 3% of the weight of the product.

Revision 01 of 09/01/2025
